The Downtown Corvallis Shopping Center Association is a co-operative association of
Downtown Retailers, Restaurants, financial institutions, professional offices and
property owners who want to attract "customers" to Downtown Corvallis and improve
it as a shopping area.

In addition to strong promotional programs of regular "Downtown-wide" sales and
special events which keep customers coming Downtown, the organization co-ordinates
and lobbies for programs which make physical improvements in the Downtown area;
such as parking and keeping the downtown area appealing to the eye of the shopper.
Without everyones co-operation and participation (at least with financial support,
if you are not able to attend Association meetings) we will not be able to do a
good job in bringing more customers Downtown and this hurts all of us.

The Association has two classes of memberships; with suggested dues based upon the
size of the business or property owned.

Regular Membership (retail, restaurant, financial)

Small firm (1 - 3 People) - \$50.00
Medium firm (4-7 People) - \$85.00
Larger firm (8-14 People) - \$125.00
Major firms (15+ People) - \$200.00

Your dues are tax deductible and we believe they are the best promotion value you
can buy.

Professional or Landlord Membership (professional offices, property owners)

1 - 3 People, 2,500 sq. Ft. - \$15.00
4 - 9 People, 5,000 sq. ft. - \$25.00
